### PAYMENT OF INITIAL MEDICAL TREATMENT

This official memo from AgriTrust of Georgia affirms that AgriTrust of Georgia is a Group Self Insured Fund providing workers' compensation insurance coverage in Georgia.

**AgriTrust of Georgia wants all injured workers to be substance abuse tested and will pay for the initial medical treatment of ALL injured workers insured by AgriTrust of Georgia – regardless of the results of the drug test.**

This company is a qualified self-insured in the state of Georgia for its workers' compensation liabilities pursuant to all statutory requirements under O.C.G.A. §34-9-150.

**Instructions:** Complete "Employer" section below. Take to each medical provider and have "Medical Provider" section completed. Make copy for medical provider's file and for employer's file. File with signed Substance Abuse Notices. In the event of an accident, this completed form should accompany the injured worker to the medical provider. **\*\*\*Please note that all post-accident drug testing should be done by blood testing whenever possible.\*\*\***
